DOCKET NO. 90-032-E - ORDER NO. 95-10
JANUARY 4, 1995

IN RE: Proposal of Carolina Power & Light) ORDER SETTING
Company to Modify Experimental LGS) ORAL ARGUMENTS
Curtaillable Schedule LGS-CUR-TOU-83.)

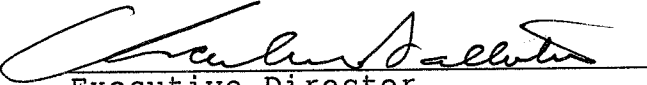

Carolina Power & Light (CP&L) seeks approval before the Public Service Commission of South Carolina (the Commission) of a change in the Curtaillable Load under the Experimental Large General Service Curtaillable Schedule LGS-CUR-TOU-83. Nucor Steel, a Division of Nucor Corporation, filed a Petition to Intervene in this docket. Carolina Power & Light filed a request with the Commission to deny Nucor's Petition to Intervene. Subsequently, Nucor Steel replied to the request to deny Nucor's Petition to Intervene. The Commission believes that oral arguments would be useful in determining whether or not Nucor Steel should be allowed to intervene in the present proceeding. Therefore, the Commission sets February 1, 1995 at 2:30 P.M. for oral arguments in this matter. (This time and date may be subject to change pursuant to further Order of the Commission.) This Order shall remain in full force and effect until further Order of the Commission.
